FREE BIRD
If I leave here tomorrow
Would you still remember me?
For I must be travelling on, now,
'Cause there's too many places I've got to see.
But if I stayed here with you, girl,
Well, things just couldn't be the same.
'Cause I'm as free as a bird, now,
And this bird you'll never change.
And this bird you cannot change
And this bird you cannot change
Lord knows, I can't change.

Bye, Bye, Baby, it's been a sweet love.
Though this feeling I can't change.
But, please don't take it so badly,
'Cause the Lord knows I'm to blame.
If I stayed here with you, now,
Things just couldn't be the same.
'Cause I'm free as a bird, now
How 'bout you?
And this bird they'll never change
And this bird you cannot change
And this bird you cannot change
Lord help me, I can't change.
Lord, I can't change.
Won't you fly high,
Oh, free bird, yea.

SENIOR ADVISORS

The Senior Class trip this year was to Disneyland in Orlando, Florida. We departed on Saturday morning, March 19th, and returned on Tuesday evening, March 22nd. Activities included: a day at EPCOT which is Disney's newest edition that explores the corridors of time and the countries of the world today, a fun-filled day at Wet 'N Wild, and of course, the old favorite — The Magic Kingdom. Everyone had a great time and will long remember the fun.

The Senior Class' only fundraiser was the pretzel booth. We would like to especially thank those students who gave up their lunch periods to help the senior class. The seniors in charge of the pretzel booth were: Wayne Robenolt, Ron Atkinson and Ken Kirby. A special thanks from the senior class goes to four sophomore girls who gave up their lunch periods to operate the pretzel booth for the benefit of the senior class during 6th period. They are: Chris Daraklis, Jenny Seitz, Debbie Towles, and Lisa Manz. Everyone did an excellent job.

The senior class officers:

President — Carol Kazakewich — (MD) Carol has helped in the planning of the class picnic and preparations for graduation.

Vice President — Marie Williams — (DE) Marie has worked with other class officers in planning the picnic and graduation.

Secretary — Regina Kralle — (CA) Regina has been responsible for recording class meetings as well as working with other class officers in the planning of the class picnic and graduation.

Class Treasurer — John Getler — (SM) John has done an excellent job keeping financial records. He has been responsible for monies being deposited and withdrawn. He has also worked with the planning of the senior picnic and graduation.

Dear Readers,

I would like to take the opportunity in this letter to thank those who have helped me in so many ways during the course of the yearbook season. First, I would like to thank our advisor, Sharon Naness, for pushing us to meet every deadline 'on time!', to all the understanding teachers who allowed us time from their classes to work on this project, to all the 'helping hands' that donated their time and energy to help make this book a success. A very sincere and special thanks goes to the Office Occupations Shop for assisting us in meeting our first deadline, another 'big' thank you goes to the DE Shop and especially, Miss Kervick for assisting us in our very last deadline, to the Day School Secretaries for making "oh, so many copies for us!", to Glick Studios, for their patience and photographers, (of which we encountered many) and a special thank you to Mr. Miller for being there when we really needed him.

Last, but most important, I wish to express all of my thanks to the people who really were 'there' and made this book possible: Ken Kerby, who saved the day (almost every day!), to Wayne Robenolt and Ron Atkinson, who worked as a great team, to Mark Cimino, for his great photographic 'eye,' to Debbie Roggio and Yvonne Cross for lettering the pages, to our artist, Andrew Dera, and to Gary Thompson, who devoted much of his school day in that small yearbook office! Words cannot express the gratitude that is so deserved to those who contributed. And also to a very busy young lady, Sheryl Herring, thank you.

Also, we can't forget our first deadline. So, thanks to those people, Tom Kerr, Robin Krause, Bill Baker, Christine Wallace, Sharon Bullock, and Marlene Rausnitz, who along with the above mentioned people, got our book "off the ground!"

And most importantly, good luck to you my fellow classmates.

Sincerely,

Doug Connors
